Consider God's sovereignty. God has saved you through Jesus, He has gifted you, and placed you here, at this time, with a purpose. What individually has God called you to do?

If you knew that various hardships and prison awaited you for sharing the gospel, would you still do so? Why or why not?

If you are struggling with being able to serve God and others with humility, pray and submit yourself to His will (Acts 20:24). Share with one other person your desire that they may encourage you.
