

- I. What is it?
- II. How did it happen?
- III. Why did it happen? (And did it have to happen?)
- IV. How to treasure the incarnation of Jesus Christ this Christmas Season

Go Forward

Know: Do you know Jesus Christ in the way you've heard about today? Has He saved you? The most important thing you can ever do is trust Jesus Christ to save you and make you new in Him. If you do not choose to trust Him, you will spend eternity apart from Him in a literal place called Hell. Severe? More than can ever be adequately expressed in words. But God loves you so much that He has made a way for you to be with Him forever in a literal place called Heaven...with more unceasing joy and wonder than you can imagine.

Grow: Review the last section above (*How to treasure the incarnation of Jesus Christ this Christmas Season*). Intentionally dwell on and practice these things.

Show: Find one person - preferably someone who you think may not be saved - and ask God to give you a good opportunity in a creative way to share one of the things you're dwelling on/practicing from the *Grow* exercise.
