POLICEMAN DAY

The Tulsa Police will be visiting on **Tuesday, May 1st**. This is a great opportunity for our children to learn more about safety. Each of our classes will have the opportunity to hear a safety presentation from uniformed officers while they take a look at a police car and maybe a motorcycle as well.

As always, these officers are on duty, so there is the potential of them being called away for an actual emergency. If that happens, we will do our best to reschedule for the next available date.

FIREMAN DAY

The firefighters will be visiting us on Thursday, **April 19th**. They will be doing a safety presentation with the children, and then they will get to go outside for a close-up look at a fire truck.

Of course these firefighters are on duty so if there is an emergency in their area, they will not be able to be here and we will try again another day.

MOTHER'S DAY at ABC

We will be honoring Mothers on **Tuesday, May 8th and Thursday, May 10th**. Each class, with the exception of 2A and 2B, will be having a special time to serve their Mothers. Your child's teachers will let you know which day and what time they would like you to arrive at their room.

BUILDING ALL CHILDREN

Seeing, saying, and creating patterns are ways to build crucial development and pre-reading skills. Use your everyday environment to find repetitive patterns in books, with food, on traffic lights, and with toys. Form a pattern of snacks such as Goldfish-Goldfish-Cheerio, or line up Hot Wheels as car-car-truck or blue-green-blue. Watching, repeating, and recreating patterns are fun and easy ways to build development!

ABC PRESCHOOL TULSA FACEBOOK GROUP

Don't forget to join our Facebook group to stay up to date on school information. It is just one more avenue to keep you informed of school wide activities or information.

Our Facebook group is a closed group, so go to Facebook, search **ABC Preschool and Kindergarten Tulsa**, and ask to join. Only ABC parents and teachers will be included.

FALL OPENINGS

We have just a few openings left in some of our younger classes. Tell your friends!

SEPTEMBER TUITION

Most of you are on schedule paying a full month ahead. Right now you are paying your May tuition and will pay September tuition during the month of May. Please pay your **September tuition during the very first week of May** so that our books can be closed on time. September tuition will be:

Preschool - \$185 after \$25 enrollment fee
(\$210 if you didn't pay \$25)

Kindergarten-\$190 after \$25 enrollment fee
(\$215 if you didn't pay \$25)

If your child started later in the semester, or if you have gotten off track, you may still be paying for the month at hand. Remember that you will need to pay May tuition as well as September tuition by the first week of May.

If you would like to make some partial payments now so that it doesn't hit your account all at once, just let us know.

SCHOOL CALENDAR

In case you are trying to make early summer vacation plans, remember that the last day of preschool is **Thursday, May 17th**.

Open House for next fall is set for **Thursday, August 30th** and the first day of class will be **Tuesday, September 5th**.

ASSESSMENTS

Students entering 3 Year Old—K Classes in the fall who have not previously been assessed by Kendra Morgan with Building All Children will be contacted to sign up for an appointment time through Sign Up Genius. You will receive an email that will direct you to the sign up link. Any returning students that were assessed last year will only be assessed by parent request or teacher recommendation. Assessment dates will be in late May and early June.
