

1. How does the way we proclaim the gospel message today compare to the way Peter did so? How should it? Think in terms of the content of the message.
2. What lessons can we learn from the response of the people to the gospel message in the Acts 2 passage that would help us today? Who is in charge of the results of evangelism - us or God? Why does this matter?
3. Should the activities of the first church have a bearing on our activities as a church today? What are the core elements we see in that first church? How do those compare to the core elements in the church today?
4. Spend time in prayer, asking God to direct your steps regarding your part in evangelism and other elements of church life.
