Go Forward

First, ponder and pray about what you've learned from today's stories we covered in Acts. *Next*, invest some time pondering and praying about what it means to say "yes" in the way 2 Corinthians chapter 1 says we are to say "yes". *Then*, consider whether there are any areas of your life where you're saying "no" to God...either directly, through avoidance, or through adding some/all of your plans into the mix as a replacement for God's plans. As you pray about this and search the Scriptures for answers, ask God to change your heart and to fill it with trust and obedience in Him (Proverbs 3:5-6).
