

Other Ministry Ideas

- 1. Family Movie Night.** Host an outdoor movie night in your neighborhood or city park as a way to serve and get to know your neighbors and others in our community. The LOTF has an outdoor movie setup (12' outdoor screen, Fender 500W speakers, projector, blu-ray/dvd player) that can be checked out for events like this.
- 2. Community Garden.** Use your "green thumb" as a ministry by developing and organizing a community garden as a means to build relationships with families in the neighborhoods around FBC.
- 3. Tutoring.** Most public schools and ministries for at-risk kids are looking for adults to help tutor kids. A great opportunity to impact students and potentially their families.
- 4. Adopt A School.** Contact a local school principal and inquire about how you can support the teachers and students in their school. Use these opportunities to serve them and build relationships that will open doors to further ministry.
- 5. Street Ministry.** Make a bunch of sack lunches, grab some bottled water, and setup in the downtown area to feed the homeless. Distribute blankets and other items useful to the homeless. Take the opportunity to get to know them, hear their stories, and build relationships that will provide the opportunity to share about the hope you have in Jesus Christ!
- 6. Car Clinic.** Organize and promote a car clinic to provide minor car repair/maintenance for single moms, elderly, or others in need.
- 7. Adopt A Neighborhood.** Organize volunteers to help clean-up yards, or do minor maintenance for those unable to do these things for themselves.
- 8. Nursing Homes.** Contact local nursing homes about opportunities to help with activities/events, organize special events, host bible studies, and make regular visitations, or other ways to develop relationships the residents.
