JESUS IS ALIVE!

Join your child's class as they learn the true meaning of Easter. On either **Tuesday, March 27th** or **Thursday, March 29th**, you will be invited to join your child's class as they share in the **Resurrection Story**. Your child's teachers will let you know the date and time.

EASTER EGG HUNTS

On **Tuesday, March 27**, we will have our annual **Easter egg hunt**, celebrating the Resurrection of our Lord and Savior. Your child's teachers will let you know if you need to bring a basket.

Please do not send Easter grass!

You will have the opportunity to sign up to send items for your child's party and egg hunt.

Please keep in mind that our focus is **Jesus Christ** as you sign up for party items.

We are looking for a few parent volunteers to help with the hunts this year. If you are interested, please contact Melissa or Cynthia.

Spring Break

We will be closed for Spring Break during the week of **March 20-22**. Have a wonderful time with your children enjoying all the pleasures and blessings of Spring that God has provided.

CLASS PICTURE DAY

On Tuesday, **March 8th**, Ervin's Photography will be taking class pictures. You will receive an envelope during the preceding week in which to make your payment. It is a great way to help your child remember all of their classmates from ABC Preschool and Kindergarten as they grow up.

JACKETS NEEDED

As you have experienced, our weather has been a little unusual this year. We ask that you send a jacket or sweater each day regardless of the temperature at the start of the day. The children love and need to go outside when possible and sometimes the day turns cooler in the afternoon.

SPRING WOMEN'S BIBLE STUDIES Starting March 8th

Over 10 weeks of guided personal Bible study, relevant teaching, and group discussion, Bible teacher Nancy Guthrie will help you see the person and work of Christ in:

***Hosea's willingness to redeem his unfaithful bride from slavery**

***Daniel's stone, not hewn by human hands, that will crush every kingdom**

***Ezekiel's vision of a city where we will enjoy Jesus's presence forever**

**Studies are from 9:30 to 11:30.
All materials and child care provided with registration.**

**Fun ideas from our
friends at
BUILDING
ALL CHILDREN**

Build Safety Skills! Kids often struggle to retain their family's contact information and it could save a life. Learning these details can be fun, and they're never too young to teach! Make up a song using your child's last name, home address, and your phone number. Go on a safety walk pointing out and taking pictures of your street sign and the number on your house, door or mailbox. Sing your safety song often and keep your address pics visible for constant reminders.
