FALL OPENINGS

We have a few openings left for fall. Tell your friends!

CLASS PICTURE DAY

On Thursday, **March 14th**, Ervin Photography will be taking class pictures. You will receive an envelope during the preceding week in which to make your payment. It is a great way to help your child remember all of their classmates from ABC Preschool and Kindergarten as they grow up.

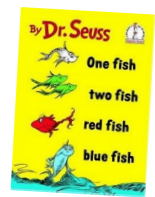

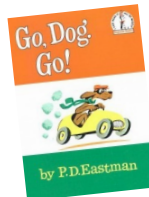

Q & U WEDDING

Have you heard the news? Q & U are getting married here at ABC! Every year our kindergarten celebrates the union of Q & U with a wedding. This event is officiated by our Senior Pastor, Eric Bryan, and comes complete with a bride and groom and is followed by a reception with cake and punch. All of our kindergarten parents are invited to attend, as well as our PreK students.

DR. SEUSS DAY Tuesday, March 5th

We will be celebrating Dr. Seuss' birthday this year with a fun day of books, games and special activities! Children are encouraged to wear crazy socks and hats or hairdos.

April 18- May 9 9:30 am

God's chosen people have been threatened with extinction by various murdering fanatics. In Esther we meet Haman, a fanatic seeking the annihilation of the Jews. Rich in drama, emotion and power, Esther, a Jewish woman, delivers her people from certain death.

Fun ideas from our friends at **BUILDING ALL CHILDREN**

A fun way to strengthen visual processing and memory skills is to create your own Family Memory Game. Print out two identical pictures of each family member's face on cardstock and cut them into squares. The kids can decorate the back sides of the picture cards and enjoy playing the Memory game by matching two familiar faces.

Spring Break

We will be closed for Spring Break during the week of **March 19-21**. Have a wonderful time with your children enjoying all the pleasures and blessings of Spring that God has provided.

Engaging Online Resources

Our children are growing up in a technological, visual age and try as we might, it's almost impossible to avoid. We constantly hear warnings and suggestions about limiting screen time for our children, and it's good to head those words. However, it isn't all gloom and doom on line! For those times when you do allow screen time, we would like to suggest a couple of resources for your consideration. Both are subscription plans, and I (Cynthia Robinson) have found them to be worth every penny.
