### FALL HARVEST PARTIES

On **Tuesday, October 30th**, our classes will celebrate the beautiful Fall season that God has given us. There will be a sign-up sheet outside your child's classroom to give you the opportunity to bring something to share. Please bring treats, decorations, etc., that celebrate Fall or the bountiful harvest time that God provides us. Simple, colorful fall items are welcome.

**Please DO NOT send anything with witches, ghosts, goblins, etc.** Our focus is on the beauty and bounty of God's provision during this time of year.

Remember that food items must be commercially prepared and in their original, unopened packaging.

## Fall Festival

**October 31st 6:00 to 8:00 PM**

*Join us for food, inflatables, carnival games, Trunk or Treat, and more!*

We love to see everyone dressed up! If you like to dress up, come to the festival in a fun, friendly costume. Of course, we encourage you to come as anything that God created.

(Nothing scary, please!)

**Spread the word!  
Invite the neighborhood!  
Fun for the whole community!**

## Fun ideas from our friends at BUILDING ALL CHILDREN

Hopping is a developmental milestone. Use sidewalk chalk to draw circles or line up hula hoops on the ground in a hopscotch pattern, straight line, or in two rows, side by side. Ask your child to run through the hoops placing only one foot in each hoop. Then try hopping with one or both feet one time in each hoop. This fun activity builds body awareness, creates sensory input by stomping, works gross motor coordination, and provides excellent exercise!

## PAPERWORK NEEDED CARDS

Cards will go out soon to remind parents about information we still need for your child's records.

One of the items we always ask for is a 1x1 head and shoulders picture of your child. In the unlikely event that your child would go missing from the classroom, a current photo is a needed tool to aid in the search. This has NEVER happened, but we like to be as prepared as possible.

Another often overlooked item is the password, located at the top left corner of the child information sheets. This is only used by the office to identify parents when they call the school to let us know that someone other than who was listed on the sign in sheet will be picking up. This should be a word that can easily be remembered by both parents.

## REMEMBER TO JOIN OUR FACEBOOK GROUP

For one more avenue of reminders, join our group on Facebook. Search **ABC Preschool and Kindergarten Tulsa**. Request to join and we will include you in all school announcements!

## DROP OFF/PICK UP REMINDERS

When dropping off your child, please remember that parents are not allowed inside our classrooms. Also, in order to make the beginning of the day run smoothly, please convey information to the teachers quickly and then make your way on out as they are busy engaging the children.

Please remember that children are not to be taken to classrooms any earlier than 9:25 each day, with the exception of kindergarten. Teachers need this morning time to pull items from our resource room, prepare their classrooms, and have announcements and prayer time.

We will only allow someone to pick up your student if they are listed on your official child information sheet in the ABC office. Writing someone down on the sign in sheet at the classroom door does not constitute proper authorization. You are welcome to come by the ABC office and add someone to your child's list at any time. Also, if you have not already done so, please give us a password for identification purposes.

If you have questions or concerns, please feel free to call us!
