My way...or God's way? That's pretty much the key question, isn't it? It starts by coming to Him in faith. The kingdom message from the book of Acts hasn't really changed, has it? Repent and believe...believe in Jesus Christ, Who is both Lord (fully in charge) and Christ (God Himself) as we have already seen in Acts 2:36.

If you have believed in Jesus Christ to save you from the power and penalty of sin (i.e., eternal spiritual death and literal eternal separation from God in Hell), the "rest of the story" is that you have not only been saved *from* something...you've been saved *to* something. And what is that? To live for the glory and purpose of God.

To tie all of this truth together, invest some time reading and meditating upon Colossians 3:1-17. The pattern and progression found in that passage nicely complements the realities and ways we've talked about today. Pray that you will submit to God's power to live according to the template found in Colossians 3:1-17.
