CELLS TEACHING CALENDAR

MONTHS	SERIES DESCRIPTION
JANUARY	EXTREME MAKEOVER Every January, people make all kinds of New Year's resolutions trying to improve themselves and their life. There is only One who can truly give us an extreme makeover...and it starts from within! Join us as we journey through the book of Philippians and see four makeovers that need to happen in our hearts.
FEBRUARY	EXPOSED Here we go! Our first series with Pastor Paul on the "S" word!
MARCH	WHAT'S UP WEDNESDAYS These special Wednesday nights will have all kinds of surprises in them! Everything may change week to week, so make these Wednesdays a priority in your Spring schedule! You will not be disappointed!
APRIL	SCARRED Scars. We all have them. Some of us have A LOT of them! Every physical scar we have has a story attached to it. The same is true of our emotional scars: we all have them and each one has a story to tell. We are going to dig deep into God's Word and see how He can heal any emotional scar we have as well as learn how to help our friends who might have deeper scars than us!
APRIL	SENIOR'S SPEAK This final series of the year allows us to hear from our graduating Seniors as they share stories about their time in the Student Ministry. We will hear from them on how God has worked in their hearts and lives over the past 6 years and learn how to better use our limited time together at FSM.

SUNDAY TEACHING CALENDAR

MONTHS	JUNIOR HIGH	SENIOR HIGH
JANUARY	ME! ME! ME! How do we be selfless in a very selfie-centered world? This series will discover what true humility is and how God truly views us.	WORSHIP In our first video series of the year, we are going to study God's Word together and discover what true worship is really all about. Be aware, it's more than moving music, sweet lights and raising of hands.
FEBRUARY	HOW DO I STUDY THE BIBLE? This series will teach you how to do inductive Bible study and help you grow in your walk with Jesus as you discover Him through His Word.	OT SURVEY If you thought our Run Through Revelation series was quick, this survey of the entire Old Testament is going to blow your mind!! Pastor Nate returns to help guide us through the highlights of OT history & theology and how it affects you and I today!
MARCH	RABBI This video series that leads us into Easter will look at the life of Jesus and give us a better understanding of His role as a teacher.	REDEMPTION This study on the doctrine of sin & salvation will stretch our minds and deepen our understanding of how great God's love for us really is!
APR / MAY	TEMPTING STUFF Being tempted isn't a sin...giving into that temptation is. So what's a Junior Higher to do about temptation? Our video series will talk about this sensitive subject and see what God's Word says about temptation and how to overcome it.	KING DAVID This video series will help us better understand how God could call a murderer, adulterer and liar "one after my own heart". This series is a perfect follow up from our Redemption series, so don't miss it!
