

WELCOME!

Dear Preschool & Kindergarten families,
We are so happy to have you and your child in our program! We feel blessed that we will get to be a part of your child's life.

Parent Handbooks were passed out at Open House. Please read through it, sign the Parent Policy Card and return it to your child's teachers as soon as possible. There is a ton of helpful information about our school's policies and procedures.

Each month you will receive a class calendar from your child's teacher. We post lesson plans for the week outside of the classrooms and any other notes the teachers need to share. Teachers will also occasionally send email or text message reminders for your specific class.

Remember to join our Facebook page. If you are a Facebook user, go to **ABC Preschool and Kindergarten Tulsa**. Request to be added to the group. This page is used for school wide reminders.

Feel free to call on your child's teachers, Cynthia, or me if you ever have questions or concerns.

Melissa Weatherford and your ABC Staff

DATES TO REMEMBER

Sept. 4th:	Classes begin
11th:	Chick-fil-a Day
12th:	Moms to Mom begins
13th:	Thursday Morning Ladies Bible Study begins

FIRST DAY(S) OF SCHOOL

To make your child's transition as easy as possible, here are a few suggestions:

*Speak positively to your child about the fun he/she will have at school. (Your child will sense your excitement or your nervousness.)

*Tell your child good-bye at the door and let him/her enter the room with the teacher at the door.

***Please do not enter the classroom with your child.** From years of experience we have learned that saying good-bye at the door and making the separation quickly is the best way to help your child adjust. Prolonging the inevitable separation only makes it more difficult.

You may observe your child's class at any time with a staff escort, but we ask that you do so through the window in the door once the whole class has signed in. This is less distracting to the class and you will see a truer picture of how your child is adjusting.

TUITION SCHEDULE

If your child is currently enrolled you have already paid September tuition. **October tuition is now due.** November tuition will be due at the beginning of October, etc.

You should have received a tuition invoice from your child's teachers, with directions for paying online. We are very excited to once again offer this service.

If you choose to write a check instead, make it out to **FBC** and include your child's name in the memo line. Please drop the check in the mail slot of the ABC office door (just around the corner from Room 115b).

WOMEN'S BIBLE STUDY

We would love to have our ABC moms join us for our Women's Fall Bible Study!

Sept. 13th—Nov. 8th 9:30-11:30

Cost is \$35 for materials. Childcare program is provided for infants—4th grade

Daniel—Part 1

This study shows us how to be faithful in our own modern-day Babylon. God has not abandoned His plan for the whole world. He controls all of history, both peace and conflicts, to bring His Messiah's rule to all the nations. This book focuses on the display of God's sovereign power through miracles.

JOIN US FOR SUNDAY SERVICES

Fellowship Bible Church is a growing, active Christian church.

We invite you to attend either of our two services on Sunday mornings, 9:00 am or 10:30 am. We will also let you know of special events throughout the year that you may wish to attend.

Fun ideas from our friends at BUILDING ALL CHILDREN

Shape Learning: Find and read a picture book with many different shapes in it, having your child pick a shape that most interests them. Then go on a "circle hunt" (or any shape) around the house looking for safe, ring-shaped items like plastic cups, bottle caps, cans, paper towel rolls, etc. Dip the shaped objects in a shallow plate of (washable, non-toxic) paint and "stamp" a poster or paper.

MOM TO MOM

Join us every 2nd and 4th Wednesday during the school year beginning Wednesday, Sept. 12th 9:30-11:30am

Our meetings include opportunities to develop friendships and to be encouraged by God's Word and other moms. Meetings include guest speakers, book studies, and seasonal events. Each mom is part of a small group led by a Mentor Mom - someone who is further along in their "mothering" role!

Children's Program included

LABEL ALL BELONGINGS

Please remember to label every item your child brings to school. Lunch boxes, small containers inside lunch boxes, sippy cups, diaper bags, nap mats and backpacks can all look very similar.
