

WELCOME!

Dear Preschool & Kindergarten families,
We are so happy to have you and your child in our program! We feel blessed that we will get to be a part of your child's life.

Parent Handbooks were passed out at Open House. Please read through it. There is a ton of helpful information about our school's policies and procedures.

Each month you will receive a class calendar from your child's teacher. We post lesson plans for the week outside of the classrooms and any other notes the teachers need to share. Teachers will also occasionally send email or text message reminders for your specific class.

Remember to join our Facebook page.

If you are a Facebook user, go to

ABC Preschool and Kindergarten Tulsa.

Request to be added to the group. This page is used for school wide reminders.

DATES TO REMEMBER

Sept. 3rd:	Classes begin
10th:	Chick-fil-a Day
11th:	Moms to Mom begins
19th:	Thursday Morning Ladies Bible Study begins

FIRST DAY(S) OF SCHOOL

To make your child's transition as easy as possible, here are a few suggestions:

*Speak positively to your child about the fun he/she will have at school. (Your child will sense your excitement or your nervousness.)

*Tell your child good-bye at the door and let him/her enter the room with the teacher at the door.

***Please do not enter the classroom with your child.** From years of experience we have learned that saying good-bye at the door and making the separation quickly is the best way to help your child adjust. Prolonging the inevitable separation only makes it more difficult.

You may observe your child's class at any time with a staff escort, but we ask that you do so through the window in the door once the whole class has signed in. This is less distracting to the class and you will see a truer picture of how your child is adjusting.

LABEL ALL BELONGINGS

Please remember to label every item your child brings to school. Lunch boxes, small containers inside lunch boxes, sippy cups, diaper bags, nap mats and backpacks can all look very similar.

TUITION SCHEDULE

If your child is currently enrolled you have already paid September tuition. **October tuition is now due.** November tuition will be due at the beginning of October, etc.

You should have received a tuition invoice from your child's teachers, with directions for paying online. We are very excited to once again offer this service.

If you choose to write a check instead, make it out to **FBC** and include your child's name in the memo line. Please drop the check in the mail slot of the ABC office door (just around the corner from Room 115b).

FBC WOMEN'S BIBLE STUDY

We would love to have our ABC moms join us for our Women's Bible Study!

They begin September 19th and run from 9:30-11:30. Childcare is available.

The classes offered are:

God of Creation

We've heard the stories—or some of them.

We maybe have read some of Genesis—maybe not. What do we really know about this fundamental book of the Bible?

Follower

We will look at Jesus' time with His disciples as our model, studying His teaching and daily habits, including scripture, prayer, worship, fellowship with the body and sacrificial living.

Fun ideas from our friends at
BUILDING ALL CHILDREN

Building body balance and coordination are super fun, and always needs to be practiced. Upper and lower body games can help build strong motor muscles and get energy out too.

Encourage your child to crab walk, jump rope, try handstands against a wall, dribble a ball, play leap frog, use a balloon for volleyball, walk on pillows, play Simon Says, stand or hop on one foot, gallop like a horse, and play hopscotch!

COME MOM WITH US!

Mom to Mom meets every
2nd and 4th Wednesday
during the school year
beginning Wednesday,
Sept. 11th 9:30-11:30am

Our meetings provide opportunities to develop friendships and to be encouraged by God's Word and other moms. Meetings include guest speakers, book studies, and seasonal events. Each mom is part of a small group led by a Mentor Mom - someone who is further along in their "mothering" role!

SPECIALS CLASSES

Our ABC students attend Specials classes each day. On Tuesdays, they will have Music with Mrs. Griffith. We are introducing Creative Movement on Thursdays with Miss. Cox. Your kiddos will love learning new things in Specials this year!
